SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

MAIL STOP AMENDMENT

Commissioner of Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Further to the Information Disclosure Statement filed March 25, 2005 and the Supplemental Information Disclosure Statement filed July 27, 2006, the Examiner is respectfully requested to consider the additional references, (copy of non-US patent documents enclosed), which may qualify as prior art. For the Examiner's convenience, the references are listed on the attached Patent and Trademark Office form PTO/SB/08a (substitute for PTO-1449).

To the knowledge of the person signing the certification after making reasonable inquiry, no item of information listed in this Supplemental Information Disclosure Statement was known to have relevance to patentability hereof more than three months prior to the filing of this Supplemental Information Disclosure Statement. See 37 CFR 1.97(e)(2).

The cited additional references known to the Applicants are listed on PTO/SB/08a. That information is cited in a spirit of forthrightness and cooperation to enable the applicants to obtain that measure of protection for the invention to which there is entitlement. However, no representation is made that the listed art actually qualifies as prior art under the patent statute and the mere use of PTO/SB/08a is not an admission that all listed references are prior art. No representation is made that applicants know of the best art.

Respectfully submitted,

Sally A. Sullivan
